

Centerville Science Olympiad

About Science Olympiad

"Founded in 1984, Science Olympiad is the premier team STEM competition in the nation, providing standards-based challenges to 6,000 teams at 425 tournaments in all 50 states"

- *Science Olympiad Inc.*

Teams consist of 15 students who compete in groups of two or three in 23 different science events. Events cover topics relating to core scientific disciplines such as **biology, chemistry, physics, geology, and technology** and may be build, study, or lab oriented in nature. Competitors acquire a deep understanding of scientific fields while developing **valuable STEM skills** and forming **strong team bonds**.

Who We Are

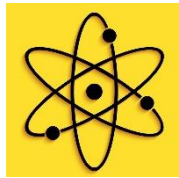

Since 1986, Centerville High School Science Olympiad has been a national powerhouse, obtaining **2 national titles**, 20 state titles, and 8 additional top 3 finishes at the national tournament. We have dominated from coast to coast, beating out teams from all over the nation, ranging from New York to California.

Our team forms a well-rounded community of students with passions all over the STEM spectrum. We gain our strength from our three high-achieving middle school programs.

Why Sponsor?

Given our track record of high performance at the national level, consistently ranking among the top teams in the country, we can guarantee your company exposure not only within the region and state but nationwide as we compete in many tournaments on the national circuit.
